HOW TO PURCHASE A TICKET BUNDLE

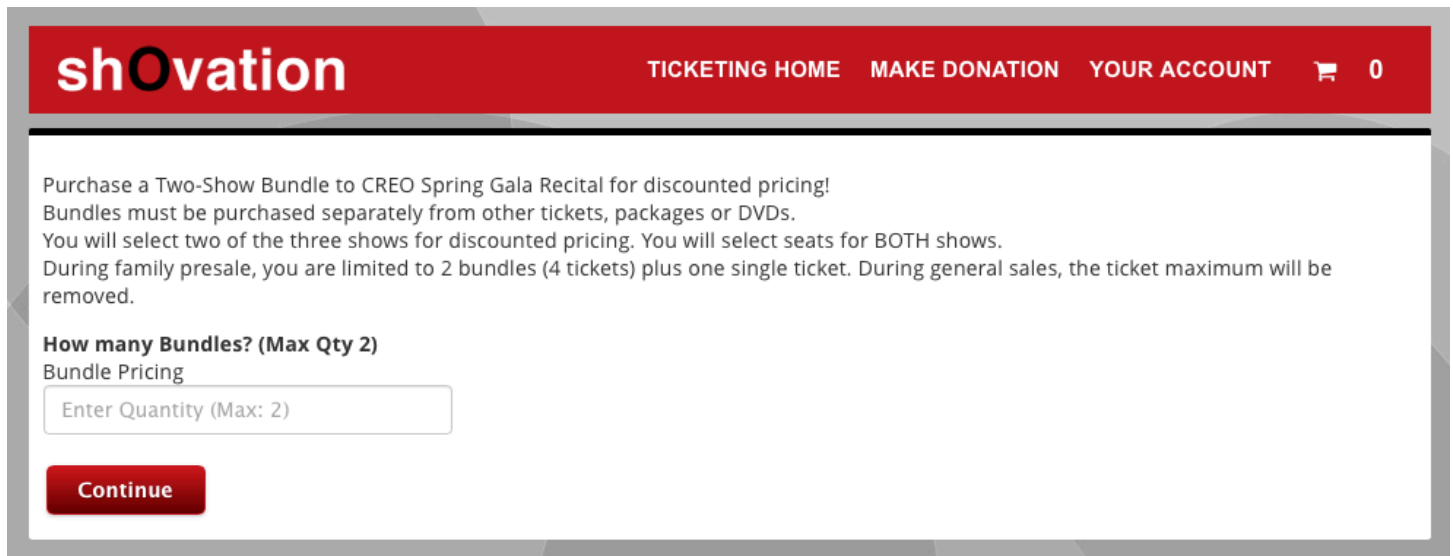

*A 2-show or 3-show Bundle is two or three tickets, one to each show of your choice. Bundles offer a built-in discount for families with dancers in multiple shows, and bundles also allow you to select your seats for each show so you can choose the best vantage point to see your dancer!

STEP 1: Click the Red **“BUY TICKETS”** button under the 2-show Bundle or 3-show Bundle option on main page of the CREO Shovation Tickets Link.

- **Please note that BUNDLES MUST BE MADE AS A SEPARATE PURCHASE from single tickets**

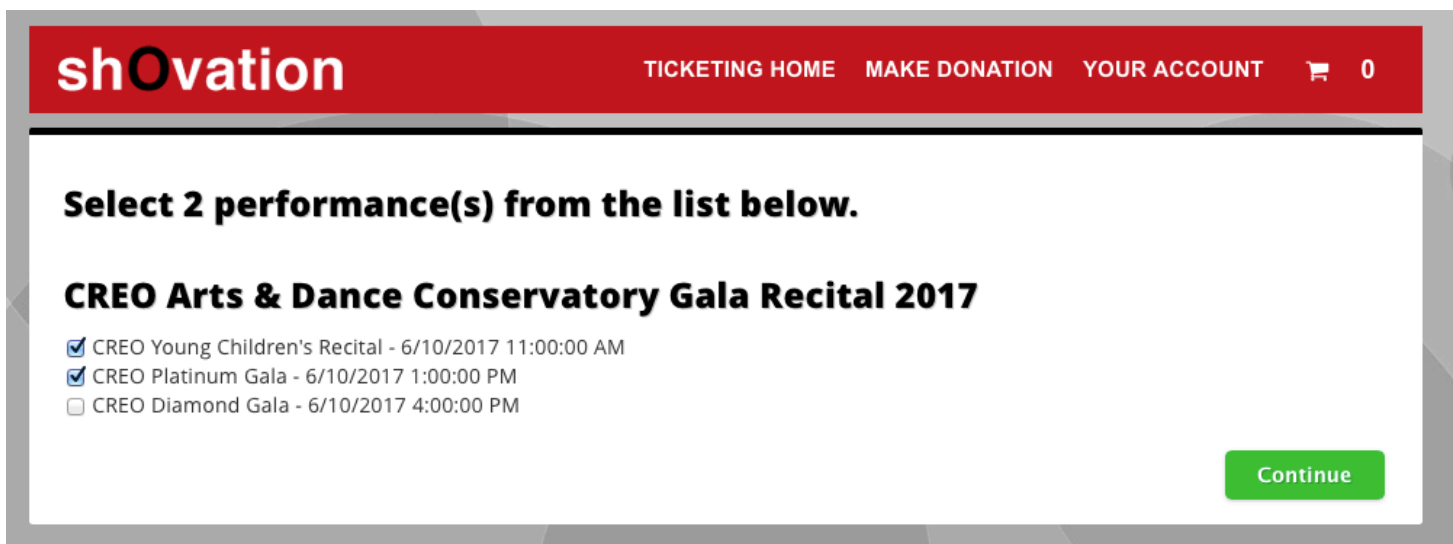

STEP 2: Enter the quantity of bundles you would like to purchase.

- During Family Pre-Sale, please keep in mind that one bundle is equivalent to 2 or 3 tickets (depending on the bundle size) out of your ticket allowance.
